We are a specialist nursing and care agency covering the whole of Berkshire, supplying nurses, care assistants, support workers and more.

Affordable Staffing regularly recruit for care positions across Berkshire and our other service areas. Staff choose the hours that suit them, with varied and rewarding work helping others.

Dependable, Professional & Reliable

From the services we provide, to our staff and to the experience of our customers, we stand for quality. We want the very best for you and your loved ones.

That is why we look at every single detail of our care and what is most relevant. From small tasks like helping with cleaning or cooking, to the more skilled approach to dealing with dementia, our staff are on hand.

Our Service Standards

Affordable Staffing is your industry specialist recruiter for the care and health industry.

We specialise in recruiting those carers who work particularly well with elderly people, and take pride in placing the perfect individuals in roles where their skills and experience can really shine.

We are a leading provider of health care and domestic staff. Affordable Staffing also has a singular sense of purpose – to provide outstanding care and service to all of its clients and workers. Hence it has expanded its services to compliment its care services and continue to excel in satisfying and exceeding customer needs.

Quality Personnel Service

Affordable Staffing boasts of providing a well rounded one shop service to meet its clientèle's needs.

Doing this in a very proficient detail has enabled us to expand our specialities to include providing staffing solutions ranging from registered nurses, carers, support workers, allied health care professionals and cleaners trained to a high standard.

We recruit and deliver our services within Berkshire and surrounding areas; supplying staff to all areas and specialities of the healthcare and domestic. Current clients include care and residential homes, charities, local authorities, industry, private hospitals and GP Surgeries.
